

Tackling the commercial determinants of health in Tasmania

When? Monday 4 May 2026, 2-4pm

Where? St Lukes Wellness Hub, 72 Elizabeth Street Hobart

Join Cancer Council Tasmania for a special event on tackling the commercial determinants of health in Tasmania. The session will focus on practical insights and actions through short presentations, a panel discussion and workshop.

Hear from local and national leaders with experience in policy-relevant research and advocacy campaigns

Collaborate in small groups to identify next steps for policy change and impact in Tasmania

Registration is free but essential.
